<p>Music is special because:</p>	<p>“Music education can help spark a child’s imagination or ignite a lifetime of passion...Music education should not be a privilege for a lucky few, it should be part of every child’s world of possibility.” (H. Clinton)</p>

	This course will focus on developing your own musical skills and confidence to empower you to be able to pass the gift of music on to the children whose lives you will impact as a teacher.
Train / Work Somewhere Special	Teachers have the ability and power to change a child's life. To be able to support people in that journey is a privilege.
Work Somewhere Special	Teaching always gives back as much as you put in. It is full of unique challenge and is never dull. There is no other career that gives you the opportunity to make such a positive difference, not just in individual lives, but in your community.
Live Somewhere Special	Our locality offers the coast and the moors – you can have the best of both, but I love the coastal walks – sea air and beautiful views.
