<p>History is special because:</p>	<p>History is a window into the past. History allows us to gain an understand of what came before us and how we got to be where we are now. Without knowing about the past, it is impossible to learn for the future. You will develop your historical knowledge, understand how to effectively teach History and learn how to embed a love of History for young people. Alongside this you will learn how to make local links with History which are meaningful and relevant for the young people you are teaching.</p>

<p>Train / Work Somewhere Special</p>	<p>Having the opportunity to share my passion for a wonderful career and to support the teachers of the future on their journey into education is a privilege.</p>
<p>Work Somewhere Special</p>	<p>Teaching is special because:</p> <ul style="list-style-type: none"> • You are part of creating the citizens of the future • You can open up a world of opportunities for every child • It's a job where you can also continue to learn and grow as well as the children you teach.
<p>Live Somewhere Special</p>	<p>I love to visit the many beaches in the local area, from the small villages of Cawsand and Portwrinkle for a wild swim or to the larger beaches of Tregantle for a sandy walk.</p>
